DON'T STOP BELIEVIN'

"WE'VE MADE THE MONEY, WE'VE HAD THE FAME AND WE'VE HAD THE CHICKS. NOW IT'S ABOUT THE LEGACY. WHAT'S THE FOOTPRINT WE LEAVE WHEN WE WALK AWAY?"

NIKKI SIXX

13

AESTHESIA

Hoodoo Queen

There are many who think that hard rock was perfected in the 1980s, some of whom, we'd wager, read this mag, and will no doubt be charmed by this French quartet - fronted by

one Nico Marlyn, accompanied by guitarists Jetblack and Julien Gatter, bassist Johnny Lips and drummer Mike Marcia - who gleefully recreate those halcyon days in style.

Taken from: *Shattered Idols* on Shotgun Generation.
